FAITHFUL CITIZENSHIP
A Catholic Call to Political Responsibility
 A Statement by the Administrative Committee of the United States
 Conference of Catholic Bishops

In the Catholic tradition, responsible citizenship is a virtue; participation in the political process is a moral obligation. Every believer is called to faithful citizenship, to become an informed, active, and responsible participant in the political process.... "We encourage *all citizens*, particularly Catholics, to embrace their citizenship not merely as a duty to participate in building the culture of life. Every voice matters in the public forum. Every vote counts. Every act of responsible citizenship is an exercise of significant individual power."

Forming Consciences for Faithful CitizenshipⓂ14
 November 2007) can be read online at
www.usccb.org/faithfulcitizenship/FCStatement.pdf.
