**Receptionist/Clerk** Responsible for performing routine clerical duties such as filing, answering the phone, office work, such as responding to information requests, Mass requests, sacramental certificates, parish registrations, etc. (computer skills required).

**Maintenance/Custodian at Good Shepherd School** Responsible for cleaning, maintaining, inspecting and reporting on the condition of the school (Education Center) and assisting the principal and parish manager in the implementation of a maintenance program.

Candidates for both positions must be practicing Catholics, have a commitment to the Catholic Church, and be familiar with the life of a Catholic parish. Both positions are Full Time with benefits. Inquiries and requests for applications should be made by calling the parish office at 761-1167. Complete job descriptions and applications may also be picked up at the parish office.

**TODAY...JOIN in the world mission of Jesus! JOIN the Propagation of the Faith!** As disciples of Jesus, baptized into the Church and strengthened by the Holy Spirit, we are called to draw others to Christ: others in our family, in our neighborhoods; others even “to the

ends of the earth.” More than 2,000 years after the birth of Jesus, some two-thirds of our human family do not yet know Him in faith as we do.

Through the Propagation of the Faith, we can reach those at work at “the ends of the earth” as we help to support the Church’s evangelizing work in more than 1,150 mission dioceses worldwide. We are needed to offer daily prayer and regular financial help as well.

Please join the Propagation of the Faith today. Our Parish will surely become more vibrant in faith as we become more missionary.

**MORE FOCA POSTCARDS HAVE ARRIVED!** The Freedom of Choice Act (FOCA) has been introduced in Congress and will be considered for passage in the coming months. This act would have far reaching consequences that would bring a greater attack on the dignity and sanctity of human life than Roe v. Wade. Bishop Rhoades and the U.S. Catholic Conference of Bishops are calling on the Catholic population of the nation to express opposition to this bill by contacting our representatives in Congress through a postcard campaign.

We have received 3,000 more postcards (each sheet has three postcards for each of our U.S. legislators) and have placed them in the narthex of the Church. Please sign the cards, address them to the appropriate congressman, affix a stamp and mail.

Our representatives in Congress are:

Senator Arlen Specter

Senator Robert Casey

Representative Todd Platts

**GOOD HAPPENINGS FROM GOOD SHEPHERD SCHOOL** This past Friday we concluded our celebration of Catholic Schools Week, the time each year when we celebrate the many ways our school makes a difference in our community while educating students in an atmosphere of faith and values. The pastor, principal, staff, and students thank everyone who helped make our week special. Louis Guyer was the winner of the school's Geography Bee and will now represent Good Shepherd School at the Diocesan Geography Bee on March 24.

**RESPECT LIFE NEWS -- SPIRITUAL ADOPTION PROGRAM -- MONTH THREE** Your spiritually adopted baby is quite active now. If the mother's womb had a window, you could watch your spiritually adopted baby squint, swallow and move his/her tongue. The baby can make a tight fist if you touch his/her palm.

The baby you are praying for weighs one ounce. Continue to pray for the baby's mother that she will lovingly give her baby the gift of life.

**BOY SCOUT SUNDAY, February 8, 2009** Cub Scout Pack 197 and Boy Scout Troop 58, under the sponsorship of Good Shepherd Parish and The Good Shepherd Knights of Columbus will begin a one year celebration of the 100<sup>th</sup> anniversary of the Boy Scouts of America. This one year event will begin and end by being reverent at the 9:30 a.m. Mass. All current scouts and scouters are invited to participate in uniform. They should assemble in the parish social hall 15 minutes before the Mass begins. After Mass refreshments will be served in the Parish Hall.

**If Only There Was a Way to Know Your Risks for  
Certain Preventable Health Conditions...**

**Now There Is!** Prevention Health Group has solved that problem by offering you 6 quick, painless, non-invasive health tests to see if you are at risk for a serious health problem. On **Monday, February 23** beginning at **9:00 a.m.** the prevention program will be here in the **Parish Hall at Good Shepherd** to offer you and the community several important health tests.

In less than 1 hour you can have 6 different health screenings done that will check for things such as: **stroke, heart disease, osteoporosis, and pulmonary disease.** Did you know that on average in the U.S., someone suffers from a stroke every 45 seconds and dies every 3 minutes? Several screenings use non-invasive ultrasound to make sure your arteries do not have any dangerous blockages.

These screenings are important to have done because physicians cannot usually order these for patients because Medicare and insurance companies will not pay for the service when symptoms are not present. Do yourself a favor and get screened. These affordable health screenings will give you & your doctor so much information about your health status. The tests are very low in cost, non-invasive and are read by a local vascular physician before the results are given directly to you and are referred back to your own doctor. Call 1-800-446-0925 or visit [www.preventionhealthscreenings.com](http://www.preventionhealthscreenings.com) for more information.
