FIFTH SUNDAY OF LENT

Correction of Horticultural Lingo Last week it was announced that some of the plants that are usually planted around the church would not be planted this year. Mistakenly they were referred to as *perennials* (that last through the winter and bloom year after year), when actually the plants that will not be planted are *annuals* (that grow for only one season in our climate and have to be renewed every year). Cudos to those who recognized the mistake!
