### HELP US CONNECT THE WORLD WITH GOD'S WORD!

If Jesus Christ were on earth today, how would He spread His message? We believe that Jesus would use every means available to evangelize and promote gospel values. You can truly make a difference right here in our diocese for local communications projects. This year our goal is to raise enough funds through the local portion of this campaign to fund a series of TV spots to invite inactive Catholics in our 15 counties back to the practice of their faith. To find out more about the work of CCC, visit [www.hbgdiocese.org](http://www.hbgdiocese.org). Please give generously in today's Collection.

**RESPECT LIFE NEWS – To Young People** – "You are the future of family life. You are the future of the joy of loving. You are the future of making your life something beautiful for God...a pure love. That you love a girl or that you love a boy is beautiful, but don't spoil it, don't destroy it. Keep it pure. Keep your heart virgin. Keep your love virgin, so that on the day of your marriage you can give something beautiful to each other...the joy of a pure love."

*Blessed Teresa of Calcutta*

God calls each of us to observe the virtue of chastity, no matter what our vocation. Young people, especially, are pressured on all sides to give in to sins against purity by movies, fashions, music and their peers, to name a few.

Check out the Respect Life section of the bookrack in the chapel narthex for further information and spiritual helps for young people struggling with issues of chastity.

The impact of an abortion is like a stone thrown into the water, sending out ripples of pain and hurt and devastation in all directions. Fathers of aborted children are the neglected victims of abortion who, once they recognize the moral and spiritual gravity of their action or inaction, may experience deep rage and "a gut-wrenching sorrow" so overwhelming, it can, if not healed, emotionally paralyze a man forever.

**Remembering My Father When I Was...**

- 4 yrs. old: My daddy can do anything.
- 5 yrs. old: My daddy knows a whole lot.
- 6 yrs. old: My dad is smarter than your dad.
- 8 yrs. old: My dad doesn't know exactly everything.
- 10 yrs. old: In the olden days when my dad grew up, things were sure different.
- 12 yrs. old: Oh, well, naturally, Father doesn't know anything about that. He is too old to remember his childhood.
- 14 yrs. old: Don't pay any attention to my father. He is so old-fashioned!
- 21 yrs. old: Him? My Lord, he's hopelessly out-of-date.
- 25 yrs. old: Dad knows a little bit about it, but then he should because he has been around for so long.
- 30 yrs. old: Maybe we should ask Dad what he thinks.
- 35 yrs. old: I'm not doing a single thing until I talk to Dad.
- 40 yrs. old: I wonder how Dad would have handled it. He was so wise and had a world of experience.
- 50 yrs. old: I'd give anything if Dad were here now, so I could talk this over with him. Too bad I didn't appreciate how smart he was. I could have learned a lot from him.
